

SERVING YOU SO YOU CAN SERVE THE WORLD

# NonProfit Solutions

Empower your organization with a web-based, full-featured, online event management solution that is simple and easy to use. Manage your fundraising activities with an extensive suite of tools, so you can host an online auction, collect donations, sell tickets to an event, manage table and sponsorship sales, assign bid numbers to guests, promote silent and live auction items in an electronic catalog, print bid sheets, enter winning bids and purchases, invoice guests and item winners, email receipts, store and accept credit card payments, and much more!

## ONLINE AUCTIONS

**\$695 flat fee**

With the added advantage of longer bidding time frames, you can reach a larger bidding audience than with a traditional silent auction.

## EVENTS

starting at

**\$395 flat fee**

Save valuable volunteer time with simple reporting tools, an easy attendee check in & out process, plus auto-invoicing & auto-bid sheets.

## MOBILE BIDDING

**\$1000 add-on**

Tired of bid sheets? Freshen up your event by adding mobile bidding to either event solutions. Guests bid right from their phone or tablet as they mingle!

## Additional Benefits

- Simple setup & event management process
- Web-based access (no software to download & install)
- Unlimited administrative access
- Highly customizable settings & sites
- Complimentary training & site design
- Personalized & experienced account support
- Greater audience reach
- Longer bidding timeframes
- Unlimited item & photo uploads
- Higher returns on item sales
- Donor & sponsor advertising space
- Automated & real-time reporting
- Import & export capabilities

Fundraising auctions are the most successful way to raise funds for many nonprofits. It's no surprise that it requires a lot of planning, and comes with many challenges. Connect with our team so we can help set you up for success!
